**Addressing tenant
priorities to build
vibrant communities**

Introduction

Hi.

If you are reading this, you are someone who has an idea for a project or initiatives to address your community priorities and committed to bringing change to your community.

This package includes all the information you will need to apply for Tenant Action Funds and turn your idea into action.

Background

Tenants and staff have worked together over the past several years to develop a refreshed Tenant Engagement System that encourages and empowers more Toronto Community Housing tenants to get involved in local decision-making in their community.

Following extensive consultations with tenants in 2018 and 2019, Toronto Community Housing's Board of Directors approved the refreshed Tenant Engagement System and implementation plan on July 19, 2019. The foundation of the Tenant Engagement System is the needs and priorities identified by tenants through a priority setting process. Tenant priorities inform the focus of all structures in the Tenant Engagement System.

To ensure tenants continue to access resources until the new Tenant Engagement System was implemented, we established four Interim Funding Tables (one in each region and one for the seniors portfolio) in September 2019 to help distribute Tenant Action Funds to tenants or tenant groups. The established groups were made up of representatives from across the TCHC portfolio, who were selected through an application and interview process. Members of the Interim Funding Tables reviewed and approved requests by tenants and tenant groups to fund projects and initiatives that will respond to tenant-identified priorities. The interim process helped us inform a new way of distributing and allocating funds to communities.
